

Supply List for Deep Dive into Gelli Printing

- 8 x 10 or 5 x 7 **Gelli Printing Plate** (do not buy a Speedball Printing Plate because they are used for inks, not paint and your paper will stick to it)
- Variety of **acrylic tube paints**, 4.06 oz tubes or similar. Any of these brands will work: Liquitex, Masters Touch, Essentials, Artist Loft, Amsterdam. Please bring: warm and cool colors, Paynes gray, black, white, metallic gold, plus any other colors you like.
- 4-inch **Rubber Brayer(s)** (soft rubber brayer or hard rubber brayer), I like Speedball
- **Paper towels**
- A **palette or paper plates** for sponging paint.
- Disposable **Make-up sponges** (triangle shape)
- **Paper**: white copy paper plus any other papers you might have on hand such as tissue, music sheets, paper from books, rice paper, deli paper, black paper, maps, etc....
- Variety of **stencils, stamps**, and anything with textures. Lightweight cardboard for cutting your own stencils.
- Some kind **artist tape** (not masking tape)
- **Scissors** and/or cutting tool
- **Catalogs** you get in the mail (for cleaning off your brayer)
- **Gloss medium**
- Blank Greeting Cards, not required
